

Make an impact.

You're invited

to speak at the 2017 OR Today Live Surgical Conference.

August 27-29, 2017 • Washington, D.C.

www.ortodaylive.com

OR TODAY
SURGICAL CONFERENCE
Live!

Share Your Passion

You are invited to submit a proposal to share your experience and expertise with colleagues at the OR Today Live Surgical Conference. OR Today Live! brings together perioperative leaders from across the surgical suite to address the main challenges, regulations and culture changes facing professionals called on to manage the business of the surgical suite and care for patients entering their facility.

Others will benefit from your experience while you make a valuable contribution to the profession's field of knowledge.

Complimentary registrations and travel reimbursement for speakers is available on a case-by-case basis. Contact us for details.

“The speakers were amazing and still in the game. So much experience to share!”

JeanneMarie H.

A black and white photograph of four women sitting at a round table covered with a white tablecloth. They are all smiling and looking towards the camera. The woman on the far left has blonde hair and is wearing a dark top. The woman next to her has brown hair and is wearing a light-colored top. The woman in the center has curly hair and is wearing a white shirt with a patterned scarf. The woman on the far right has brown hair and is wearing a dark blazer over a white top. On the table in front of them are a glass of dark liquid, a white mug, and a smartphone. A large green semi-transparent banner is overlaid on the bottom left of the image, containing white text.

“This was an excellent experience! I would suggest that anyone attend an OR Today Live conference. I will definitely attend in the future.”

Heather Miles, Ortho/Plastics Clinical Coordinator

**“The presenters
were so
engaging and
knowledge just
flowed from
them. Their
expertise was
overwhelming
and their
technique of
teaching and
sharing was
wonderful.”**

Cindy C.

“Overall, I feel this is one of the top conferences I have ever attended. The activities allowed for networking, building relationships.

Carla Knight, Director of Surgical Services

Potential Topics Include

- Professional Development: Human resources, leadership, recruitment, training and retention strategies
- Cost containment, improving hospital performance measures
- Patient satisfaction, improvement to meet CMS quality measures
- Robotics and other new business development strategies
- Achieving reimbursement sustainability
- Best Practices: Implementation and collaboration tactics

“Loved the ‘smaller’ vibe. It allowed for awesome networking opportunities. I was able to connect with several other attendees and will keep in contact with them.”

Rebecca Stanfield, Perioperative Educator
